

## **FORCON PROGRAM ID's** **as of February 2003**

FORCON provides you the ability to extract groups of projects, i.e., GI Studies or CAP projects, for analysis and/or reporting by either **appropriation** codes or **Program ID's**. Following is a breakout of each Program ID. You may select multiple appropriation codes or Program ID's by holding down the Ctrl key while making your selections.

### **Program ID - CDPP**

C - 500	Catastrophic Disaster Preparedness Program
C - 510	Continuity of Operations
C - 520	Catastrophic Disaster Response Planning
C - 530	Emergency Operations Center Support
C - 540	Emergency Water Program
C - 550	Continuity of Government
C - 560	Catastrophic Disaster Training and Exercise

### **Program ID - CG**

B - 100	Advance Engineering and Design
B - 120	Navigation Projects (Fully Authorized)
B - 121	Channels and Harbors
B - 122	Locks and Dams
B - 140	Beach Erosion Control Projects (Authorized)
B - 150	Flood Control Projects (Fully Authorized)
B - 151	Local Protection
B - 152	Reservoirs
B - 160	Multiple Purpose Power Projects (Authorized)
B - 170	Projects Auth. for Phase 1 Adv. Eng. & Design
B - 171	Navigation Channels and Harbors
B - 172	Navigation Locks and Dams
B - 173	Beach Erosion Control
B - 174	Flood Control, Local Protection
B - 175	Flood Control Reservoirs
B - 176	Multiple Purpose Power Projects
B - 180	Projects Auth. for E & D after Phase 1
B - 181	Navigation Channels and Harbors
B - 182	Navigation Locks and Dams
B - 183	Beach Erosion Control
B - 184	Flood Control, Local Protection
B - 185	Flood Control Reservoirs
B - 186	Multiple Purpose Power Projects
B - 200	Navigation Projects
B - 210	Channels and Harbors

**Program ID - CG (cont)**

B - 211	Projects Specifically Authorized by Congress
B - 212	Dredged Material Disposal Facilities Program
B - 217	Debris Removal
